

SAFER INTERNET USE

- **PASSWORDS:** NEVER SHARE – USE ONCE and CHANGE REGULARY
- **TWO FACTOR AUTHENTICATION:**
Take the time to change your settings and turn on two step verification. NEVER SHARE A VERIFICATION (OTP) CODE
- **SCAMS:** If it looks too good to be true, it generally is. Don't click immediately and take your time to research!
- **UPDATES:** Only Windows 10 and above are secure operating systems as they receive regular Microsoft security updates automatically.
Below that – DO NOT ASSUME your computer is SAFE & SECURE..
- **PRIVACY:** Regularly check the privacy settings on you Social Media accounts!

REMEMBER TO ALWAYS LOG OFF/OUT WHEN NOT IN USE

Digital divide

Millions of people are being left behind because they can't get online. We want to end data poverty and get closer to a 100% digitally included UK.

Good Things Foundation

with The Good Things Foundation

'OUR VISION IS A WORLD WHERE EVERYONE BENEFITS FROM DIGITAL - WE WANT PEOPLE TO BE DIGITALLY ABLE, EQUAL AND SAFE, SO THEY CAN BE HAPPIER, HEALTHIER AND BETTER OFF'

“ **Learn My Way** is a great way for you to get started online and to start using a computer and the internet ”
